

AQUALABO

GROUPE

Acquisition of Aqualabo

Aqualabo is the leading French Specialist of equipment for water analysis and cleantech control. The group employs 80 people and is located in the greater Paris area.

The revenues generated by this innovative company has quadrupled, from €3 million to €12 million between 2010 and 2015.

The Chinese industrial group "Supratec" acquired shares in the Aqualabo Group from the investment fund "Demeter". Headquartered in Shanghai, Supratec is also operating in the German cleantech market.

About NG Finance

NG Finance realized the financial due diligence during the acquisition of Aqualabo Groupe by Groupe Supratec.

NG Finance is an independent company established in 2011, specialized in valuation advisory, financial modeling and transaction services.
